Peanut Butter Cake

1. Yellow cake mix for the cake. Follow directions accordingly.
2. I like to add several table spoons of peanut butter to my cake mix before baking.

Icing:

1. 18 ounces of peanut butter
2. 2 cups of sugar
3. 1 stick of butter
4. 1 tsp of vanilla
5. Peanut butter chips

Mix ingredients on a stove, bring to a boil, and then let it cool. Pour on top of cake. Layer it with reese's peanut butter chips.
