"Chocolate cupcakes are the ultimate party food. Make some for your next party!"

## INGREDIENTS:

- |                                  |                                |
|----------------------------------|--------------------------------|
| 1 1/3 cups all-purpose flour     | 3 tablespoons butter, softened |
| 1/4 teaspoon baking soda         | 1 1/2 cups white sugar         |
| 2 teaspoons baking powder        | 2 eggs                         |
| 3/4 cup unsweetened cocoa powder | 3/4 teaspoon vanilla extract   |
| 1/8 teaspoon salt                | 1 cup milk                     |

## DIRECTIONS:

1. Preheat oven to 350 degrees F (175 degrees C). Line a muffin pan with paper or foil liners. Sift together the flour, baking powder, baking soda, cocoa and salt. Set aside.
2. In a large bowl, cream together the butter and sugar until light and fluffy. Add the eggs one at a time, beating well with each addition, then stir in the vanilla. Add the flour mixture alternately with the milk; beat well. Fill the muffin cups 3/4 full.
3. Bake for 15 to 17 minutes in the preheated oven, or until a toothpick inserted into the cake comes out clean. Frost with your favorite frosting when cool.
