"I double the recipe and put in a glass baking dish (9x13 inches). Nice for holidays . . . Keep it for a secret and family and friends will think you worked forever on it . . . (smiles). You can also use peanut butter chips and make peanut butter fudge."

INGREDIENTS:

3 cups semisweet chocolate chips
1 (14 ounce) can sweetened condensed milk

1/4 cup butter
1 cup chopped walnuts
(optional)

DIRECTIONS:

1. Place chocolate chips, sweetened condensed milk, and butter or margarine in large microwaveable bowl. Zap in microwave on medium until chips are melted, about 3-5 minute, stirring once or twice during cooking. Stir in nuts, if desired.
2. Pour into well-greased 8x8-inch glass baking dish. Refrigerate until set.
