

## BEAN SOUP (Jalapeno)

If you do not like Jalapeno you can use plain pinto beans.

1 can of Jalapeno pinto beans.

1 can of Northern beans.

1 can of Campbell's bean and bacon soup.

1 onion (Medium)

1 Bell pepper

Use Ham or Link Sausage. As much as you like or as little.  
I use about one to one and half cups.

Chop onion, bell pepper. Slice ham or ham bone or sausage. Add all cans of beans and onion and pepper. Add one can of water or desired thickness. Simmer until onion and pepper are tender. Serve Hot. Yum, Yum.
