

CHOCOLATE BUTTERFINGER CAKE

Beth Herring

1 box chocolate cake mix	1 (6-oz.) pkg. chocolate chips
1 lb. powdered sugar	3 T. water
1 (8-oz.) pkg. cream cheese	1/2 c. chopped pecans
1 (12-oz.) container Cool Whip	
4 Butterfinger candy bars, crushed	

Mix cake as directed on box. Divide batter evenly into 3 round cake pans and bake at 350°. Be sure not to overbake cake since the layers will be thin. Cream sugar, cream cheese and Cool Whip. Stir in half of the crushed Butterfinger candy bars. Spread between layers of cooled cake and on top and sides. Melt the chocolate chips and water. Pour over top of cake and let it drizzle down the sides. Sprinkle remaining crushed candy bars and pecans on top. Refrigerate until ready to serve.
