| 1 box Duncan Hines Orange<br>Cake Mix        | 1 (15.5 oz.) can Crushed<br>Pineapple |
| 1 (3-oz.) box Regular Coconut<br>Pie Filling | 1-1/2 c. Sugar                        |
| 1 c. Crisco Oil                              | 1 stick Butter                        |
| 4 Eggs                                       | 3 T. Cornstarch                       |
| 1 (12-oz.) can Mountain Dew<br>Soda          | 1 Small can Angel Flake<br>Coconut    |

Mix cake mix, pie filling, oil, eggs & Mountain Dew together until well blended. Pour into 3 cake pans, greased & floured. (I use Cake Release.) Bake at 325° for 30 minutes. Frosting-Add pineapple, sugar, butter & cornstarch into a sauce pan. Bring to a medium boil. Let boil until thick, stirring constantly. Add coconut. Blend well. Serves 12, depending on slice sizes.
